

This Super Simple & Easy Fundraiser Will POP MONEY INTO Your Organization....

I'm Jamie...The Hot Dog Guy.

You've likely seen my hot dog cart around Marysville last year at Mrs. Renison's Donuts, Rural King and other places offering delicious hot dogs, fresh-squeezed lemon shake-ups and more...

But here's something you might not have seen: *we also offer a unique way for groups to fill their coffers, simply and easily, with our fresh-popped, Instagram-worthy, gourmet kettle corn!*

It's simple, easy and most importantly: tasty. You assume no inventory or risk. Not only is it a great way to raise money for your group, but your members will be raving about the taste for weeks.

When you participate in a fundraiser with us, we supply your group with fundraising sales sheets to sell our large 8.5"x24" bags of gourmet popcorn. The plain and sprinkle on flavors retail at \$12 each for the fund raiser with your group keeping \$6 for each of those bags sold!

The flavors involving chocolate or caramel glaze retail at \$25 each with your group keeping \$10 per bag sold!

→ **The money your group retains from sales will outperform nearly any fundraiser you've done in the past.**

Attached is a sample of our sales order form with the list of available flavors.

All payments are taken and made to your organization at the time of the order. Your organization then makes one payment to us upon delivery of the group's order.

The delivery date and sales cut off time is agreed upon prior to starting the fund raiser.

Then we just need a list of total bags sold per flavor for the entirety of the group's orders.

The most successful groups promote the popcorn for 2-3 weeks and then turn in a total tally per flavor needed. We deliver the popcorn one week later at a time that's convenient for you – all you need to do is confirm the count when we arrive. Simple, right?

We even include a few free bags so you can share in the deliciousness while handing out orders to your members. *After all, volunteering is hard work!*

All you need to do to get started is to contact me at 937-738-3663 or by email at tastethistogo@gmail.com. I'll take care of the rest.

Get poppin'
